Looking For The Perfect Personal Gift?

Photo Restoration makes a heartfelt gift for many special occasions. A truly personal expression for a Birthday, Memorials, Christmas, Anniversaries, Mother's or Father's Day or many other events.

...You are limited only by your imagination!!

Minor Restorations such as Photo Retouching, Red Eye Removal, Colour Adjustments, Enhancing Sharpness, Contrast or Brightness are all ways of making an already memorable photo a beautiful addition to your home.

Resizing photos or creating special prints from family slides are all economically possible using today's high end digital technology.

Major Photo Restoration has the ability to restore what was once thought to be a lost family treasure to it's pre-damaged state in most cases.

Pricing: Each priceless photo is unique in what is required to restore back to its original beauty. We will provide you an all inclusive quotation prior to any commitment from you. Please call for a no obligation quotation on your photos.
